As a result of the February 3, 2005, rainstorm, the metering station at Entrada State Park in Waterworks District No. 29, Malibu, was severely undermined. A. A. Portanova and Sons, Inc., was called to assist District's staff to backfill the eroded area with slurry and to build a protective wall for the metering station. The work was completed on May 2, 2005, at a total cost of \$8,226.50.

A. A. Portanova and Sons, Inc., is one of five as-needed, on-call emergency contractors, with a contract approved by your Board on December 1, 2003. We committed to reporting to your Board all emergency repairs carried out under these contracts.
